

Youth Homelessness Task Force

Meeting Minutes- January 3, 2017

CHIP, 1100 W 42nd St, Indianapolis, IN 46208

Youth Homelessness Survey

Service providers will be sent a set of questions to answer so that CHIP can prepare copies and gift cards. Rachael will email it out. Please reply!

Feedback was given for the paper copy survey to give additional context to why the survey is important.

We will coordinate with youth advisory council on distributing the survey outside of providers, payment for assisting will come from CHIP but Laura Littlepage from IUPUI would like to meet with any youth distributing to train them.

Youth PIT Count Event- January 25, 2017 6:30 PM at the Boner Center (2nd floor classrooms)

We are looking for community providers to attend to share information. We will have flyers for the event that providers can give to clients. The goal is literally homeless youth, up to age 24. We don't want to double count the youth, we will be asking about shelter status.

Giveaways will be available: hygiene kits, flashlights, hand warmers, bus passes, drawstring bag
